Joyce,

Attached are the Final 11/6 and Draft 11/8 RCMS 1900-55 reports for the Gold King Mine Treatment Stabilization TDD. We are currently funded at \$660,000. Based on this estimate we are at 82.5% of funding. START has demobed from site so costs have decreased significantly.

I request permission to reduce RCMS reporting to once per week at this time.

Thank you.
